Engaging reading game for grades 2-8 that combines strategy, engagement, and imaginative reading passages to c

Fun games, recipes, crafts, activities

Games to get "into the book"

Games, quizzes and fact sheets take kids on a journey through time.

Immerse yourself in cryptography

Indoor Activities for busy toddlers

Interactive games based on the book series

Magic Spell is a carefully crafted spelling adventure.

Math and language games
Math and reading games
Math games galore
Math Games, Logic Puzzles and Brain Builders
Miscellaneous games for all subjects k-8
Online photograph jigsaw puzzles You can set the pieces from 6-1000+
Play with fave show characters and learn too
PreK - 5 games for all subjects
Printable board games, activities and more for phonics and reading all using evidence-based methods. Can be cus
Quick & easy at home projects curated for kids 2 and up
Toddler and preschool age ideas
Tons and tons and tons of games some learning some just fun
Your child can play games, learn fun facts, and find out how to turn coin collecting into a hobby.
Elem Math through 6th grade
Subjects for all ages including teaching videos and full curriculum.
2,500+ online courses from top institutions
22 languages to learn
300,000+ FREE printable worksheets from toddlers to teens
450 Ivy League courses that you can take
7,000 free videos in 13 subject areas
A quick start resource to help families pull together a plan for surviving the next 1-2 months at home with their ki
A safe research site for elementary-level readers. They are offering -- free 24/7 access using USERNAME: read (ca
A wide range of math content from middle school through AP Calculus.
Adaptive curriculum in Math and ELA for Grades K-8
Alcumus is specifically designed to provide high-performing students with a challenging curriculum appropriate to
Algebra games for kids
An interactive way to learn history
Banzai exposes students to real-world financial dilemmas to teach them the importance of smart money manager
Brainscape offers over a million flashcard decks for every subject, entrance exam, and certification imaginable.
Classes for older teens or adults
ClickSchooling brings you daily recommendations by email for entertaining websites that help your kids learn.
Cool Kid Facts gives your child access to educational videos, pictures, quizzes, downloadable worksheets, and info
Course sets (Levels 1–5) that combine and thoroughly cover phonics, reading, writing, spelling, literature, grammar
Critical Thinking resources for K-6 students
Curricular content hub specifically designed for K-3 students.
Daily lessons and educational activities that kids can do on their own
Digital learning content for preschool through high school
Education for kids all topics
Educational games K-12
Elem Math games, logic puzzles and educational resources
Entertaining & educational videos for all levels and subjects
Every course you could possibly want to homeschool for high school
Every course you could possibly want to homeschool preschool - 8
Farmer's almanac for kids... Date, weather, moon phase, etc.
Fave kids books read by famous people
Find and fix learning gaps
For students to practice and master whatever they are learning.

Foreign languages

Free Printables for PreK-2nd Grade

Free printables library with activities for children 0-6

Grammar practice for middle grades

K-5 curriculum that builds deep understanding and a love of learning math for all students

K-5th Science lessons

K-8 online math program that looks at how a student is solving problems to adjust accordingly and build a unique

Math and logic problems for ages 5 and up to adult

Math and Reading games

Math as a fun part of your daily family routine

Math practice

Math practice from counting to algebra and geometry

Online curriculum that builds better writers.

Online education program for toddler through high school...

Online history classes for all ages preteen through adults

Online homeschool platform & curriculum for Pre-K to 12th grade. All main subjects are covered, plus extra curri

Phonics and learning to read

Phonics skills

Phonics worksheets for kids

PreK-12 digital media service with more than 30,000 learning materials

Prodigies is a colorful music curriculum for kids 1-12 that will teach your kids how to play their first instrument, hc

Reading passages for grades 3-12, with reading comprehension and discussion questions.

ReadWorks is an online resource of reading passages and lesson plans for students of all levels K-12.

Resource section includes free flashcards, coloring pages, worksheets, and other resources for children, teachers,

Resources for AP students

Resources for AP students including live reviews, live trivia, and study guides!

Resources for Spanish practice

Scads of free resources, games, learning resources, and lesson plans for teaching personal finance

Scratch draws students of all types into coding and lays a foundation for future learning.

Spelling 1-4 grade

Spellingcity is free right now with code VSCFree90

Teaches students how to write a paragraph through interactive online tutorial

Test Prep for SAT, ACT, etc.

The Shurley English program for grades K-8 provides a clear, logical, and concrete approach to language arts.

Tons of free classes from leading universities and companies

Vocabulary, grammar, listening activities and games in Spanish, French, Italian, German, Portuguese, Korean, and

Voice based learning... learn through Alexa
